THE WINES OF

NIGHTFALL

The Time to Enjoy Fine Wines

The Nightfall Series of Wines is new and quite unique. It is a compact line consisting of three tiers, each containing three selections of vintage varietal wines. Each tier has different offerings. Each Tier has different price levels. Some of the varietals are the most popular wines among today's consumers. Others are relatively rare and unusual. All wines represent exceptionally fine versions of the variety.

Tier One—The Classic Varietal Series
This series offers Cabernet Sauvignon, Chardonnay and Pinot Noir. All are vintage dated and carry a California appellation. The quality of Tier One wines by far surpasses its price level.

Tier Two– The Rare Varietal Series
The three wines of this series are Barbera, Tempranillo and Petite Sirah. The Barbera, Tempranillo and Petite Sirah all have a Lodi appellation designation.

Tier Three– The Elite Varietal Series
This Tier features top of the line selections which come from some of the most famous appellations in California. They are Sonoma Pinot Noir, Sonoma Merlot and Sonoma Chardonnay.
