RESERVE RELEASES

2016 SANGIOVESE (*Mohr-Fry Ranch, Lodi*)

100% Sangiovese

ALC 14.5% RS 0.29% pH 3.43 TA 0.64%
UPC 6 84586 91013 9 SCC 1 684586910139 7

WINEMAKER COMMENTS: An inviting and radiant ruby color introduces you to a rich strawberry/currant bouquet jumping from the glass with a floral accent for added complexity. The palate continues on with the grape's varietal character of bright acidity, subtle mouthfeel and a welcome blend of red fruits supported by sweet tannins leading to a lasting and layered finish. Look to Tuscany, the homeland of Sangiovese, for welcome pairings with tomato-based pastas, pizzas and a summer friendly "Insalata Caprese."

2016 ZINFANDEL (*Mohr-Fry Ranch, Lodi*)

100% Zinfandel

ALC 13.5% RS 0.1% pH 3.52 TA 0.58%
UPC 6 84586 91012 2 SCC 1 684586910122 9

WINEMAKER COMMENTS: Visually, this wine presents itself with a bright crimson hue that is followed by an explosive nose of red berries, cherry and spice. The aromatics carry forward on the palate with a generous layer of underlying acidity and fresh mouthfeel while its finely structured tannins artfully frame the long and lingering finish. A traditionally stylistic presentation of Zinfandel that is the perfect pairing for a broad range of grilled meats, sausages and veggies.
