## **2015 AMADOR COUNTY DP's BLEND** (fresh blackberries | white pepper | soft tannins)

ALC 13.5%      RS 0.34%      pH 3.65      TA 0.59%      UPC 6 84586 30508 9

**COMPOSITION:** Mourvèdre & Syrah

**WINEMAKER COMMENTS:** 30 months in once used French oak. "DP" is named after my first son, Dante Paul, and his early love of wine. I hand selected 12 barrels that blended together perfectly and like him, it's vibrant and lively. The notes of fresh blackberries and white pepper are followed by soft tannins and a smooth finish.

## **2017 SIERRA FOOTHILLS PINOT GRIGIO** (pear | lemon | honeysuckle)

**WINEMAKER COMMENTS:** A long, cold fermentation yielded richly aromatic fruit aromas and a palate of stone fruit with tropical fruit in the background. The medium body extends into a fleshy mid palate and a clean, lingering finish.

**COMPOSITION:** Primitivo & Barbera

## **2017 SIERRA FOOTHILLS SAUVIGNON BLANC** (white peach | citrus | green apple)

ALC 13.5%      RS 0.1%      pH 3.29      TA 0.78%      UPC 6 84586 30503 4

**COMPOSITION:** Sauvignon Blanc

**WINEMAKER COMMENTS:** An extended cold fermentation highlights the aromatic elderflower, passion fruit and lemony citrus flavors. It's crisp and dry but shows a rich, ripe fruit palate without any grassy or green character. The finish is crisp, clean and pleasingly long.
